8.00am-9.30am, 25 October 2012

during the  
5<sup>th</sup> ASIAN MINISTERIAL CONFERENCE on  
DISASTER RISK REDUCTION

Yogyakarta, Republic of Indonesia

\*NRRC = Nepal Risk Reduction Consortium

### Moderator:

Azmat Ulla, Head of IFRC South Asian Regional Delegation

### Panelists:

Mr Rishmi Raj Pandey, Joint Secretary,  
Ministry of Federal Affairs and Local Development  
Mr Umesh Dhakal, Executive Director,  
Nepal Red Cross Society  
Mr Overoun Mgemezulu, Disaster Risk Reduction Specialist, UNICEF  
Ms Becky-Jay Harrington, Flagship 4 Coordinator:  
Community Based Disaster Risk Reduction, IFRC  
Mr Man Thapa, Programme Manager, Comprehensive Disaster Risk Management Programme, UNDP Nepal

### Issues To Be Covered

Setting common standards for  
CBDRR in Nepal

Agreeing on characteristics  
for a disaster resilient  
community in Nepal

Working in partnership with  
local government

Mainstreaming CBDRR into  
other sectors

Flagship 4 will attend the 5th Asian Ministerial Conference on Disaster Risk Reduction in Yogyakarta, Indonesia, 22-25 October. Flagship 4 will also be holding the side event "Scaling Up Community Based Disaster Risk Reduction; Experiences from Nepal", on 25th October. A panel discussion will cover issues such as: Setting common standards for CBDRR in Nepal; Agreeing on characteristics for a disaster resilient community in Nepal; Working in partnership with local government; Mainstreaming CBDRR into other sectors and will feature panellists from Ministry of Federal Affairs and Local Development, Nepal Red Cross Society, UNDP and UNICEF.

We will also have Flagship 4 materials to distribute at the side event. Any Flagship 4 members attending and who would like to bring their materials to display, please contact [flagship4@nrrc.org.np](mailto:flagship4@nrrc.org.np).

# Project tracking survey

## Thank you

We would like to thank UNDP, ADRA Nepal, RRN Nepal, CARE Nepal, Nepal Red Cross Society, Handicap International, for filling the [project tracking survey](#) so far.

As we will be discussing CBDRR in Nepal, we would also like to remind you to fill the [project tracking survey](#) **as soon as possible**, so we can present most up to date information in the conference.
